

April 26, 2011

Dear COAHPERD Exhibitors and Sponsors,

The Colorado Association for Health, Physical Education, Recreation, and Dance is “jazzing” things up a bit for the 2011 Annual Convention. This year’s conference will take place on Saturday, October 22, 2011 at Metropolitan State College of Denver-Auraria Campus in downtown Denver.

Please note that the 2011 One-Day Conference is due to the fact that *we are also hosting the 2012 Central District Association Convention!* The Central District Convention will take place just 4 short months after our one day 2011 conference. Due to the logistics of a One-Day conference we will not be including an Exhibit area. We would however, love for you to submit a session proposal, or hand out materials, swag or information you have about your products, services, and education information for our attendees. Please visit the COAHPERD website to submit a session proposal and do not hesitate to contact me regarding any questions you have regarding the 2011 Conference.

Now, the fact the Colorado has been chosen to host the 2012 Central District Association of the American Alliance for Health, Physical Education, Recreation, and Dance (CDA) Conference, is quite exciting. This conference will take place in beautiful Colorado Springs, February 2-4, 2012. We project over 400 attendees from 9 states, including Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota, Wyoming, and our home state of Colorado. Your contact and Exhibit Manager for the 2012 Conference will be Sue Stinson. Sue can be contacted at ExhibitsCD@aol.com.

We appreciate your willingness to support us and would love to spotlight you in whichever capacity works best! We recognize and appreciate your loyalty, support and patronage and sincerely hope your path leads you to Colorado!

Sincerely,

Cori Kassib

2011 COAHPERD Convention Manager & 2012 CDA Convention Manager
