

Funding Opportunity for Physical Education Quality Improvement

Hillary Fulton, Program Officer for Colorado Health Foundation: hfulton@ColoradoHealth.org
Sue Brittenham, Athletic Excellence, LLC: s.brittenham@comcast.net

This session will provide an overview of the Colorado Health Foundation's funding opportunity for Physical Education Quality Improvement. Through the funding opportunity, school districts would receive up to three years of funding to implement a district curriculum that aligns with the new Colorado Comprehensive Health and Physical Education Standards.

I. Colorado Health Foundation organization

- Overview of the Foundation
